Mr. David Veal reviewed the process to date, which he noted began ten months ago. He stated that after receipt of the initial proposals Trustees formed a workgroup to
approve the scoring matrix and another that affirmed the integrity of the process. Mr. Veal discussed how Staff systematically evaluated all fourteen responses received and the Investment Committee selected five semi-finalists. After site visits to all five and additional due diligence, two finalists were chosen by the Investment Committee to present to the full Board. Mr. Veal concluded by explaining that Trustees were invited to receive presentations from both firms and then to consider choosing one of the presenting firms or to cancel the procurement exercise and maintain the status quo.

**Trustees took a break from 1:35 pm until 1:46 pm**

Ms. Leslie Pool seconded and the motion passed unanimously.

C. Discuss and consider Board Approved Policy E-1 “Election Policy for Active-Contributory and Retired Board Members”

Trustees discussed what information to use on the candidates’ statements and what information to put on the ballot, and whether to use candidate photos. After reviewing the Staff’s choices for revising Board Approved Policy E-1, Ms. Pool moved the use of Option C for paragraph 11 of Section E of Board Approved Policy E-1 which in relevant part states, “... The only information about the candidates that will appear on the ballot will be the candidates’ name, department, position, and length of city employment. For retired members, the department from which the member retired and last position held will be listed. The candidate statement will be included with the ballots sent to voters on a separate document.” Mr. Ross seconded. This motion was tabled.

After further discussion, Ms. Pool moved to include only the following information with the active-contributory candidate statements: name, department, position, and length of city employment; and the following information on the retired candidate’s statements: the department from which the member retired and last position. Ms. Canales-Zarate seconded, and that motion passed with Mr. Ross voting no.

Ms. Gertz moved to allow the candidate to include a photo only on the active-contributory and retired candidate statement. Mr. Williams seconded, and the motion passed with Mr. Ross and Mr. Benson voting no.

ballets will contain name, department, position, and length of city employment.
Ballots for retired members will include the department from which the member retired and last position held. Ms. Canales-Zarate seconded, and the motion passed with Mr. Ross and Mr. Benson voting no.

Because the preceding motion incorporated Ms. Pool’s first motion, Ms. Pool and Mr. Ross withdrew their original motion and second.
