Relevant Experience/Qualifications:

I have worked in budgeting and finance my entire career, beginning as a budget analyst within Financial Services (FSD) in 2011. I have worked extensively with many City departments over the years, and currently oversee the finance division for the Austin Convention Center, including the financing of the Convention Center expansion project. Reason for wanting to serve on the Board of Trustees:

As a long-term employee, I am compelled to give back to my organization, and I can think of no better way to do that than ensuring the health of our retirement system for our current and future employees. I am committed to analyzing and evaluating all decisions being made on behalf of our workforce to ensure that we can take care of those who have taken care of the City for so long.
